## Why Aflac?

### AFLAC IS DIFFERENT FROM HEALTH INSURANCE

Major medical pays for doctors, hospitals, and prescriptions. Aflac pays cash directly to you, unless otherwise assigned, to help with daily expenses due to a covered illness or accident.

The benefits are predetermined and paid regardless of any other insurance you have.

You can use your Aflac benefits check to help pay for groceries, childcare, or rent. It's totally up to you.

### AFLAC BELONGS TO YOU, NOT YOUR COMPANY.

When you have an Aflac policy-it's yours. You own it. Even if you change jobs or retire, you can take your Aflac policy with you.

### AFLAC PAYS YOU CASH BENEFITS EVEN WHEN YOU'RE HEALTHY.

We want you to be healthy-that's why several of our policies promote preventive care.

### AFLAC CLAIMS ARE EASY TO FILE AND PAY QUICKLY!

When you're sick or hurt, the last thing you need is a complicated form to fill out. Aflac benefits are easy to understand, and you can file most claims online or with an App on your phone!
